INSTRUMENTS®

Sharper.
Stronger.
Smarter.

The New XP²

Stay sharp with
the next generation of
American Eagle XP Technology®

Balanced Weight – Enhances tactile sensitivity and overall clinical confidence.

Slimmer Tip Design – Improves access for difficult-to-reach areas, allowing for greater precision.

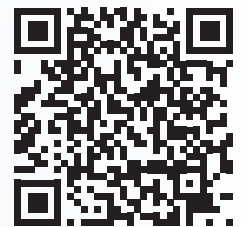

XP Technology® – Eliminates sharpening and maintains long-lasting sharpness.

EagleLite® Resin Handle – The lightest in the market, offering an ultra-lightweight design that eases strain and supports better control.

Efficiency That Feels Good

Lighter in your hand, sharper at the blade, XP² boosts confidence and care from the first patient to the last.

- ✓ **Sharper Than Ever:** The new XP² instruments feature enhanced blade sharpness for even more efficient and precise scaling.
- ✓ **Skip Sharpening:** Save valuable time and maintain peak instrument performance with American Eagle's exclusive XP Technology.
- ✓ **Improved Ergonomics:** Light, more comfortable instruments help reduce hand fatigue and improve comfort.
- ✓ **Clinical Efficiency:** Sharp, precise blades ensure optimal clinical outcomes with less pressure and effort.
- ✓ **Patient-Focused Care:** Spend more time building trust and delivering comfort, not sharpening tools.

Experience the difference.
