# *Usage Directions*

Moisturize, soothe and refresh your mouth naturally with Murnia™ Mouth Spray.

## 1 Attach Pump Arm

Remove original shipping bottle cap. Insert the pump arm, tighten.

## 2 Extend Pump Arm

Prior to first use, extend applicator arm. Use applicator arm to reach front and back of the mouth.

## 3 Spray into Mouth

Press down to pump liquid. Liquid will spray from the tip of the extender arm.

## 4 Repeat as Desired

Recommended: 4-8 pumps per use for full coating of mouth.

**Ingredients:** Aqua, Commiphora Myrrha Resin Extract, Betaine, Glycerin, Stevia Rebaudiana Extract, Hyaluronic Acid, Xanthan Gum, Sorbitan Caprylate, Propanediol, Benzoic Acid, Calcium Carbonate, Citrus Sinesis Oil.

**Directions for Use:** Can be used multiple times throughout the day as needed. We recommend 4-8 pumps to coat the inside of the mouth.

**Warnings:** Keep out of children's reach. Store at room temperature. If contact with eyes occurs, rinse with plenty of water.

**Storage Conditions:** Store at room temperature under 77°F. Avoid direct sunlight.

**Shelf Life:** 2 years. Use within 3 months of opening.

MURNIA®

Science that *Soothes.*

## Moisturize & Refresh

Intense natural moisture soothes dryness, and leaves the mouth feeling refreshed.

## Use as Needed

Suitable for use multiple times throughout the day and night to soothe the feeling of dryness.

## Natural Relief

Reduces discomfort for those with braces, dentures, during implant treatments or for those who struggle with a persistent feeling of oral dryness.

## Neutral pH

Good to use after meals, consumption of acidic or sugary foods for daily oral health management.

## Portable

For easy on-the-go oral health maintenance in between dental visits.

MURNIA®

Science that *Soothes.*

# Murnia™ Mouth Spray

Natural Moisture. Neutral pH.

*Oral Wellness.*

# A New Way to *Soothe* Persistent Oral Dryness and *Support* Oral Health.

Your oral health care provider has recommended Murnia™ Mouth Spray to help relieve the discomfort of persistent oral dryness. All-natural, and formulated with an ideal oral pH of ~7, Murnia™ Mouth Spray delivers soothing, intense moisture. Unlike most mouth sprays and rinses, Murnia™ Mouth Spray is free from alcohol or any synthetic ingredients, and can be used day and night to moisturize, refresh and maintain oral wellness.

## What Makes Murnia™ Mouth Spray *Different?*

### Intense Moisture

Contains betaine and hyaluronic acid, known to provide intense moisture and water retention.

### Neutral pH Level

Formulated with neutral pH level of 7. Ideal oral pH level is critical for oral and dental health.

### Natural, Safe to Swallow

Gentle, effective formula with well-known ingredients.

### Proven

Scientifically advanced formula made with patented molecular compound, born out of years of biotech and cancer research. Designed to hydrate and support wellness.

### Portable, Easy to Use

Discreet and compact, easy to use anywhere, anytime, day or night.

MURNIA®

Years of biotech research went into developing our patented molecular compound for oral mucosa and skin. From daily wellness support to serious wound care, we deliver solutions with multi-mechanism protection, comfort, and accelerated healing—**for better outcomes and better lives.**

- Every Murnia™ Product has our Patented Molecular Compound.
- Murnia™ products do not contain any toxic or petroleum-based ingredients. We believe no one should be exposed to these ingredients.
- Murnia products are designed for simplicity, safety and tolerance to enable easy, consistent use.

## What *Patients* Are Saying

> *"I am using Murnia™ Mouth Spray consistently. Especially at night, the dryness used to be extremely uncomfortable. With the spray, the feeling of dryness has decreased. I will continue to use it. I am very satisfied and thankful.*
