Opti·Cide<sup>3</sup> Solution  
1 gallon

- 2 minute TB kill time
- Sanitizes in 10 seconds. Eliminates 99.9% of germs on hard, non-porous surfaces
- Safe on over 30 surfaces, including plastic and metal
- Virucidal against difficult-to-kill, non-enveloped viruses such as Rotavirus
- 48% larger than conventional wipes to help you cover more ground with less (6" x 10" compared to traditional 6" x 6.75")
- Active ingredients are proven not to harm big tech equipment
- Effective against emerging pathogens, such as COVID-19
